

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 31, 2012

**Community Correctional Facilities:**

At its January 24<sup>th</sup> meeting, the Board of Supervisors discussed Jail Facilities Options which involves a review of different options to effectively manage the county's jail inmate population. One of the options under consideration is the feasibility of contracting with public Community Correctional Facilities for the county's sentenced inmate population. The Board should receive a presentation directly by the Sheriff's personnel who are involved in researching and exploring this option to assist us in making informed policy decisions in the coming months.

I, THEREFORE, MOVE that the Board of Supervisors direct the Clerk of the Board to schedule a set item for the Board's February 7<sup>th</sup> agenda and invite the Sheriff's personnel most knowledgeable of public Community Correctional Facilities to make a presentation to the Board.
